

APEX™ BENCH

PRODUCT DATA

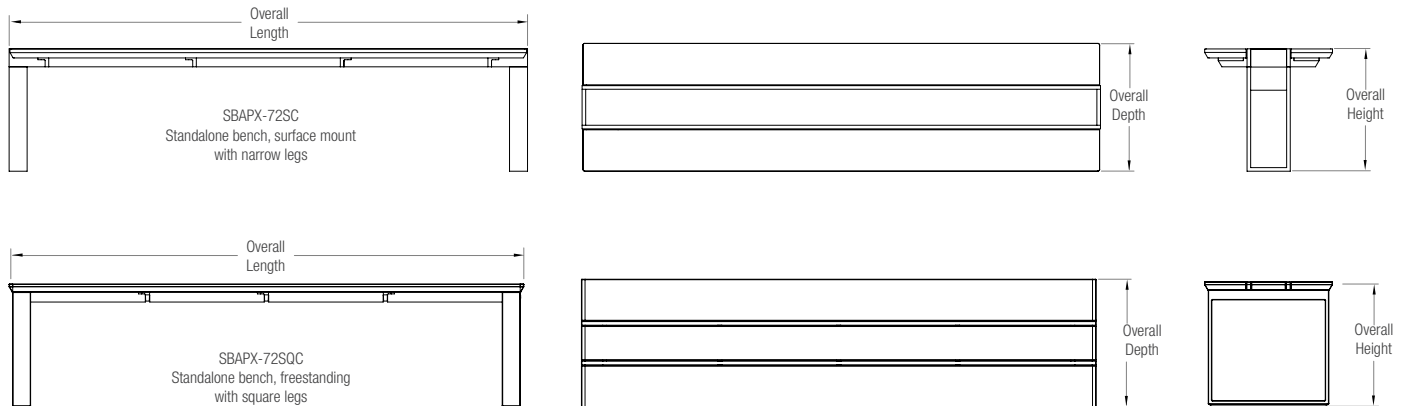

The **Apex Bench** is simple and elegant in form, with crisp lines and adaptable design options. Backless benches 72" in length feature an aluminum pinstripe detail, powdercoated aluminum frames, and seats with powdercoated aluminum or FSC® 100% Cumaru hardwood slats. As a standalone bench, Apex offers a choice of end styles: square for freestanding use or narrow for surface mounting. Benches with narrow ends can also be linked end-to-end in continuous runs. Either way, the bench's open footprint ensures optimum legroom, ease of cleaning, and unobstructed visibility—a benefit in security-conscious settings. Wall-top mounting is an option as well. At home in many settings, Apex Benches coordinate beautifully with the rest of the Apex Family.

MATERIAL & CONSTRUCTION DETAILS

INSTALLATION & MAINTENANCE

<p>CONFIGURATIONS</p> <ul style="list-style-type: none"> The Apex Bench component system allows benches to be configured as individual, standalone units with two legs or as continuous runs in which the adjoining ganged sections share common legs. Since add-on sections require only one leg, their pricing is correspondingly lower. Standalone benches are available with square or narrow ends. Bench configurations with add-on sections are available with narrow ends only. Wall-top configurations are also available. Please contact us to discuss your project's specific requirements. 	<p>SLAT OPTIONS</p> <ul style="list-style-type: none"> Apex Benches are available with slats of FSC® 100% Cumaru hardwood or powdercoated extruded aluminum. Extruded aluminum slats feature a lightly grooved surface for enhanced appearance and non-slip feel. Aluminum slats are powdercoated. See the Forms+Surfaces Powdercoat chart for details. Custom RAL colors are available for an upcharge. FSC® 100% Cumaru hardwood slats have a natural oiled finish that enhances the wood's rich color. (FSC License Code: FSC-C004453) 	<p>INSTALLATION</p> <ul style="list-style-type: none"> Apex Benches with square legs are freestanding. Benches with narrow legs must be surface mounted. Stainless steel anchors and mounting bolts are sold separately. Wall-top mounting is also available and customized per project. Necessary hardware is included.
	<p>FRAME</p> <ul style="list-style-type: none"> Frame is made of aluminum with a powdercoat finish. See the Forms+Surfaces Powdercoat Chart for details. Custom RAL colors are available for an upcharge. Due to the inherent nature of metal castings, gloss powdercoats are not offered on cast components. 	<p>MAINTENANCE</p> <ul style="list-style-type: none"> Metal surfaces can be cleaned as needed using a soft cloth or brush with warm water and a mild detergent. Avoid abrasive cleaners. Cumaru hardwood can be maintained by re-oiling as needed with Penofin® hardwood finish or similar products.

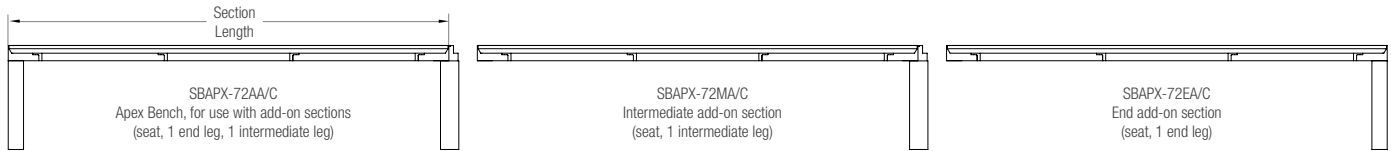

NOMINAL DIMENSIONS

MODEL	OVERALL LENGTH	OVERALL DEPTH	OVERALL HEIGHT	WEIGHT	
				ALUMINUM	CUMARU
SBAPX-72SA/C	71.75" (1,822 mm)	17.75" (450 mm)	17.0" (432 mm)	88 lbs (40 kg)	83 lbs (38 kg)
SBAPX-72SQA/C	71.50" (1,816 mm)	17.75" (450 mm)	17.0" (432 mm)	91lbs (41 kg)	86 lbs (39 kg)

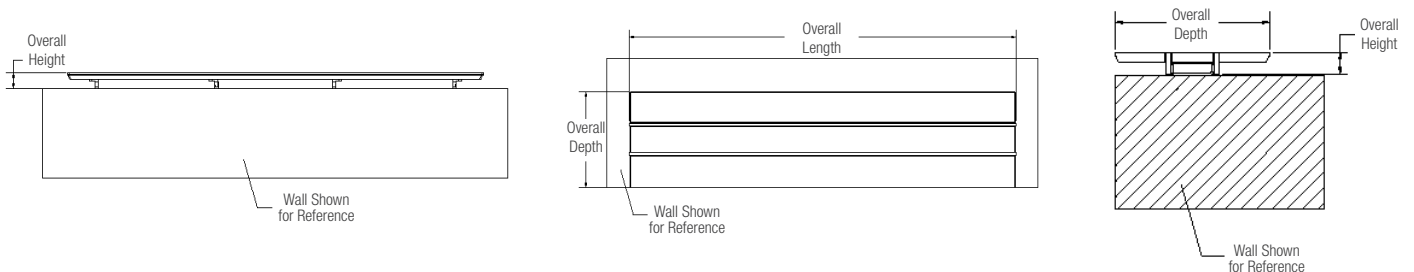

NOMINAL DIMENSIONS, CONTINUED

MODEL	SECTION LENGTH*	OVERALL DEPTH	OVERALL HEIGHT	WEIGHT	
				ALUMINUM	CUMARU
SBAPX-72AA/C	72.3" (1,836 mm)	17.7" (450 mm)	17.0" (432 mm)	91 lbs (40 kg)	86 lbs (39 kg)
SBAPX-72MA/C	72.3" (1,836 mm)	17.7" (450 mm)	17.0" (432 mm)	83 lbs (36 kg)	78 lbs (35 kg)

SBAPX-72SA/C-W	72.0" (1,829 mm)	17.7" (450 mm)	2.5" (63.5 mm)	75 lbs (33 kg)	70 lbs (32 kg)

ENVIRONMENTAL CONSIDERATIONS

- Please refer to the Apex Bench Environmental Data Sheet for detailed environmental impact information.
- Apex aluminum frames have a high recycled content.
- All Apex metal components are fully recyclable.
- All Apex wood is FSC 100%.
- Standard powdercoat finishes are no-VOC; non-standard powdercoat finishes are no- or low-VOC, depending on color.
- Low maintenance; easy to disassemble.

MODEL NUMBERS AND DESCRIPTIONS

MODEL	DESCRIPTION
SBAPX-72SA	Apex Bench, standalone bench, surface mount with narrow legs, extruded aluminum slats
SBAPX-72SC	Apex Bench, standalone bench, surface mount with narrow legs, FSC® 100% Cumaru hardwood slats
SBAPX-72SQA	Apex Bench, standalone bench, freestanding with square legs, extruded aluminum slats
SBAPX-72SQC	Apex Bench, standalone bench, freestanding with square legs, FSC® 100% Cumaru hardwood slats
SBAPX-72AA	Apex Bench, for use with add-on section, surface mount with narrow legs, extruded aluminum slats
SBAPX-72AC	Apex Bench, for use with add-on sections, surface mount with narrow legs, FSC® 100% Cumaru hardwood slats
SBAPX-72MA	Intermediate add-on section, surface mount with narrow legs, extruded aluminum slats
SBAPX-72MC	Intermediate add-on section, surface mount with narrow legs, FSC® 100% Cumaru hardwood slats
SBAPX-72EA	End add-on section, surface mount with narrow leg, extruded aluminum slats
SBAPX-72EC	End add-on section, surface mount with narrow leg, FSC® 100% Cumaru hardwood slats
SBAPX-72SA-W	Apex Bench, wall-top mount, extruded aluminum slats
SBAPX-72SC-W	Apex Bench, wall-top mount, FSC® 100% Cumaru hardwood slats

PRODUCT OPTIONS

The following options are available for an upcharge

Stainless steel anchors and mounting bolts	Custom RAL powdercoat color
--	-----------------------------

LEAD TIME: 6 to 8 weeks for freestanding or surface mounted benches and planters; shorter lead times may be available upon request. Lead times for custom wall-top mounted benches will vary based on the project. Please contact us to discuss your specific timing requirements.

PRICING: Please contact us at **800.451.0410** or **sales@forms-surfaces.com**. At Forms+Surfaces, we design, manufacture and sell our products directly to you. Our sales team is available to assist you with questions about our products, requests for quotes, and orders. Territory Managers are located worldwide to assist with the front-end specification and quoting process, and our in-house Project Sales Coordinators follow your project through from the time you place an order to shipment.

TO ORDER SPECIFY: Model, quantity, powdercoat color for frame. Quote/Order Forms are available on our website to lead you through the specification process in a simple checkbox format.
