

DUO™ BENCH

PRODUCT DATA

DUO™ BENCH

PRODUCT DATA

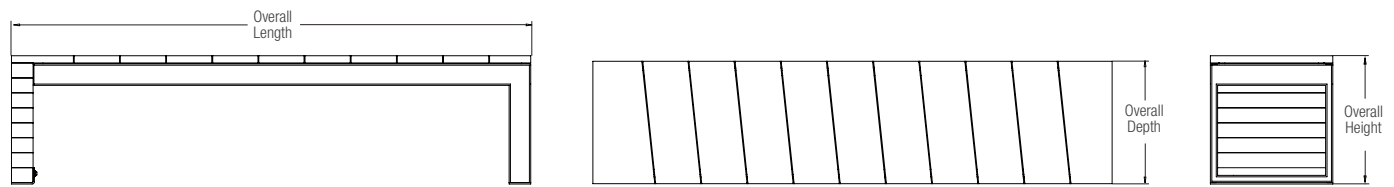

The **Duo Bench** is a harmonious display of yin and yang as wood and metal intersect to form a bench that transcends its parts. Benches are solidly built on stainless steel frames with a polished or powdercoat finish. Slats are FSC® 100% Cumaru hardwood. A waterfall edge that cascades to the ground, bias-cut seat slats, and the unique balance of materials and proportions add to Duo's distinctive look. Offering easy coordination with our Duo Tables and Table Ensembles, the Duo Bench is tough enough for the great outdoors but graceful enough for any interior setting.

MATERIAL & CONSTRUCTION DETAILS

INSTALLATION & MAINTENANCE

STAINLESS STEEL FRAME	SEAT AND END	INSTALLATION	MAINTENANCE
<ul style="list-style-type: none"> Frames are made of rectangular stainless steel tube with a polished or powdercoated finish. See the Forms+Surfaces Powdercoat Chart for details. Custom RAL colors are available for an upcharge. 	<ul style="list-style-type: none"> FSC® 100% Cumaru hardwood seats and ends have a natural oiled finish that enhances the wood's rich color (FSC License Code: FSC-C004453). 	<ul style="list-style-type: none"> Duo Benches can be freestanding with neoprene pads or surface mounted. Stainless steel mounting hardware sold separately. 	<ul style="list-style-type: none"> Metal surfaces can be cleaned as needed using a soft cloth or brush with warm water and a mild detergent. Avoid abrasive cleaners. Cumaru hardwood can be maintained by re-oiling as needed with Penofin® hardwood finish or similar products.

NOMINAL DIMENSIONS
