

SWEEP™ CABINET PULLS

PRODUCT DATA

SWEEP™ CABINET PULLS

PRODUCT DATA

At first glance familiar, at second glance anything but ordinary, the Sweep Collection is a dramatic variation on a classic theme. Crisp lines and bold geometric forms are featured in exaggerated proportions. A rich palette of metals and finishes complements the robust shapes and provides the finishing touch to this spirited group of cabinet pulls.

PRODUCT DETAILS

The following applies to all Sweep Cabinet Pull designs shown below.

MATERIAL & FINISH			INSTALLATION	MAINTENANCE
Stainless Steel	US32	Polished Stainless Steel	Sweep Cabinet Pulls are designed to be used with 3/4" (19mm) thick cabinet doors or drawers and are installed using a variety of screws (included with order). Please contact Inside Sales for more information regarding screw sizes and lengths.	Sweep Cabinet Pulls are well-suited for interior or exterior use. Regular maintenance will help ensure the lasting beauty of each pull. For more information, please refer to Door Hardware Care & Maintenance found on our website.
